ABOUT US

With NephroCare dialysis centers, you have a large choice. You can continue to live an active life and discover new places or simply enjoy the sun! At five locations in Switzerland, NephroCare centers offer modern facilities and a comfortable atmosphere for patients.

Visit the cosmopolitan city of Zurich to stroll along Lake Zurich and visit the famous old town. The location in Lucerne offers a spectacular mountain panorama. Basel stands out for its location in the border triangle. The River Rhein and the old buildings invite you to explore Basel. The holiday-dialysis team takes care of dialysis-related matters. This way, you can concentrate fully on your vacation in Switzerland and relax!
